

Activity Tables

Model: 616

CFC Educational provides the 616 Activity Tables for use in classrooms, training rooms, mailrooms or any general setting in an Educational or Healthcare facility. The many shapes and sizes offered help maximize your space and collaboration efforts. The sturdy 1-1/8" thick table tops are available in a variety of standard colors, with a high pressure laminate surface. The edges are finished with your choice of T-mold or 3mm edgebanding.

The upper leg is made of 18 gauge 1-1/8" diameter steel tube, powder coated Black. The 1/4" thick support brace is welded to the top leg and 16 gauge mounting plate. The 12 gauge lower telescoping leg is chrome plated and uses 2 screws for extra strength and assembly. The lower leg telescopes in 1" increments, allowing the table to move from 20" to 30" overall height. The lower leg is 1" diameter and is full width for the length of the leg and does not swedge or taper for maximum durability. Glides feature a swivel base and durable nylon cover. Tops are pre-drilled for quick installation of the Easy On Bracket and leg in the field.

Model	Top Size	Shape	Model	Top Size	Shape	Model	Top Size	Shape
