

# Evolutions - 16 Laptop Cart

*Addressing the changing needs of today's classrooms*

Model: 740-1016

Our 16 compartment Cart is designed specifically to store, charge and secure your Laptops and ChromeBooks. The generous shelf size stores your Laptops or ChromeBooks, with or without a case. Ventilated side panels with featured rounded edges enhance overall aesthetics.

The carts' unique design makes it easy to access your devices or take your power cords along too.

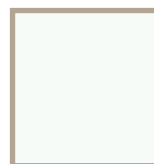

The mobile Tablet Cabinet Design saves valuable floor space in your classroom, business office, computer lab or library. Our attractive Mobile Tablet Cart looks professional and is designed for your convenience and long-term use.
