

# 8000-T Series Steel Base Desk Model 522

## Available Sizes

Depths	24", 30"
Widths	36", 48", 60", 72"
Heights	(D) Desk

## Specifications

### Base Construction

Fixed height, fully wire welded end frames. 16 gauge tubular steel construction with 1"x 1-1/2" top & bottom rails, connected with 1" x 1" uprights, butt welded. Cross supports are 16 gauge 1" x 1" square tubes connected with machine bolts to form a solid rectangular support frame under top. Legs have welded tabs to accept both levelers or casters. Modesty panel is connected using metal connectors and has access holes underneath desk. Wire trough is all laminated particleboard and includes flipper lid. Lid includes brush strip and European style hinges for connection. Closed trough ends include 2" flex grommet.

**Standard Frame Finishes:** (P) Platinum (B) Black (N) Natural Beige

### Edgebanding

Machine applied using PUR adhesive (moisture-curing, polyurethane, containing no VOC's).

### Work Surface

Manufactured using 1" thick, 45 lb industrial particleboard. Standard is laminated with HPL of 0.035" thickness with a balanced backer sheet. All exposed edges are sealed. Glue line is a moisture and heat resistant PVA adhesive containing no VOC's.

### Edge Options
